

Position: US Manager, Trader

Location: Woodcliff Lake, NJ/Remote

SeaCube is looking for a US Manager, Trader responsible for identifying and negotiating with buyers for the sale and rental of SeaCube Containers' fleet assets as well as other 3rd parties. SeaCube fleet assets are sold to wholesale buyers, traders, depots and end user businesses operating in the following market segments, including but not limited to; Food Processing, Retail Grocery, Wholesale Grocery, Government, Educational Institutions, Convenience Stores, Health related institutions, Sports/Entertainment businesses, and regional container operators.

The Trader –manages sales of the company's products and services in a large geographic area to maximize sales revenues and meet corporate objectives.

Essential Duties & Responsibilities:

Sale of Assets –responsibilities

- Accurately forecast annual and monthly sales volumes by equipment type, grade and location
- Develop specific plans to ensure revenue growth - this would include identifying target customers by region
- Visit prospective customers to stimulate interest in establishing or expanding sale activity. Travel is deal specific and prospect related. Travel is dependent upon the development of new business and the maintenance of acquired accounts.
- Provide pricing recommendations on a daily basis to conclude the sale and lease of assets to company management for their approval and execution.
- Provide customers with detailed descriptions of equipment offered for sale often explaining line items from the most recent Equipment Interchange Receipt.
- Develop transportation plans to move equipment to customer demand locations.
- Price, in conjunction with headquarters staff, the relevant costs to move equipment.
- Work with Regional Operations staff to grade and repair units for sale if required to conclude a sale
- Supply potential buyers with inventory lists to promote the sale of units
- Conduct in field inspections with buyers at depot facilities to promote the sale of SeaCube Containers' maritime assets.

Essential Job Functions:

- Reaching sales goals as set by management
- Develop customer base necessary to meet all sales forecasts and budgets
- Maintain high level of product and vendor knowledge
- Attend trade shows and association meetings as required
- Prospecting for new business, preparing/presenting proposals and maintaining existing relationships
- Serve as point of contact for business customer issues
- Monthly reporting and updates of sales
- Management Experience- small team

Knowledge, Skills, and Abilities:

- Possess good market knowledge and coverage complimentary to and able to strengthen ours
- Uncompromising integrity
- Strong team player
- Positive attitude
- Strong interpersonal skills
- Ability to effectively manage time and prioritize multiple responsibilities
- Ability to deal with customers, vendors and all channels of distribution to assess and analyze situations
